

# THE BEST

- Rock

as sung by Tina Turner

- 4 bar intro -

I call you I need you my heart's on fire  
You come to me come to me wild and wired  
You come to me, give me everything I need  
You bring a lifetime of promises, and a world of dreams  
You speak the language of love like you know what it means  
And it can't be wrong; take my heart and make it strong

## Chorus:

'Cause you're simply the best, better than all the rest  
Better than anyone anyone I ever met  
I'm stuck on your heart, I hang on every word you say  
Oh, tear us apart; baby I would rather be dead

In your heart I see the start of every night and every day  
In your eyes I get lost, I get washed away  
Just as long as I'm here in your arms I could be in no better place

## Chorus

Each time you leave me I start losing control  
You're walking away with my heart and my soul  
I can feel it even when you let go, oh baby, don't let go...

- 8 bar sax solo -

Oh you're the best, better than all the rest  
better than anyone anyone I ever met  
I'm stuck on your heart  
I hang on every word you say  
Oh, tear us apart; baby I would rather be dead

Oh you're the best
