

GREASE IS THE WORD

Lyrics & Music by Barry Gibb

7 bar intro

as sung by Frankie Valli

I solve my problems and I see the light
We got a lovin' thing, we gotta feed it right
There ain't no danger we can go too far
We start believing now that we can be who we are
Grease is the word

They think our love is just a growing pain
Why don't they understand, It's just a crying shame
Their lips are lying only real is real
We stop the fight right now, we got to be what feel
Grease is the word

Chorus:

Grease is the word, is the word that you heard
It's got groove it's got meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling
We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now but we can be who we are
Grease is the word

Chorus

This is the life of illusion, wrapped up in trouble (trouble), laced with
confusion, what are we doing here?
We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be who we are
Grease is the word - **Chorus till end**
