

DREAM CATCH ME

Music & Lyrics by Crispin Hunt, Gordon Mills, Newton Faulkner

4 bar intro

as sung by Newton Faulkner

Every time I close my eyes it's you and I know now
Who I am yea yea yea and I know now

Chorus:

There's a place I go when I'm alone
Do anything I want be anyone I wanna be
But it is us I see and I cannot believe I'm fallin
That's where I'm goin where are you goin
Hold it close won't let this go
Dream catch me, yea
Dream catch me when I fall
Or else I won't come back at all

You do so much that you don't know
It's true and I know now who I am
Yea yea yea and I know now

Chorus

See you as a mountain a fountain of God
See you as as a descant soul in the setting sun
You as the sound just as silent as none I'm young

There's a place I go when I'm alone
Do anything I want be anyone I wanna be
But it is us I see and I cannot believe I'm fallin

Chorus
