God Gave Rock n Roll To You

Music & Lyrics by Paul Stanley, Russ Ballard, Gene Simmons, Bob Ballard, Bob Ezrin

16 bar intro

as sung by Kiss

God gave rock and roll to you, gave rock and roll to you
Put it in the soul of everyone

Do you know what you want? You don't know for sure
You don't feel right, you can't find a cure
And you're getting less than what you're looking for
You don't have money or a fancy car
And you're tired of wishing on a falling star
You got to put your faith in a loud guitar

Chorus:
God gave rock and roll to you, gave rock and roll to you
Gave rock and roll to everyone
God gave rock and roll to you, gave rock and roll to you
Put it in the soul of everyone

Now listen, if you want to be a singer, or play guitar
Man, you got to sweat or you won't get far
Because it's never too late to work nine-to-five
You can take a stand, or you can compromise
You can work real hard or just fantasize
But you don't start living until you realize - I got to tell ya!

Chorus

 - 8 bar Guitar solo -

Chorus - a capella
[....gave rock and roll to you, saved rock and roll for everyone
Saved rock and roll]

Repeat Chorus till end with optional ad lib:

I know life sometimes can get tough and I know life sometimes can be a drag
But people, we have been given a gift, we have been given a road
And that road's name is Rock and Roll!
