

HUSH HUSH

Music & Lyrics by Nicole Scherzinger, Andreas Romdhane, Ina Wroldsen, Josef Larossi

4 bar intro

as sung by Pussycat Dolls

I never needed you to be strong
I never needed you for pointing out my wrongs
I never needed pain, I never needed strain
My love for you was strong enough, you should've known
I never needed you for judgment
I never needed you to question what I spent
I never asked for help, I take care of myself
I don't know why you think you got a hold on me
And it's a little late for conversations, there isn't anything for you to say
And my eyes hurt, hands shiver, so look at me and listen to me, because

Chorus:

I don't want to stay another minute
I don't want you to say a single word, hush hush, hush hush
There is no other way, I get the final say, because
I don't want to do this any longer
I don't want you, there's nothing left to say, hush hush, hush hush
I've already spoken, our love is broken, baby, hush hush

I never needed your corrections
On everything from how I act to what I say
I never needed words, I never needed hurt
I never needed you to be there every day
I'm sorry for the way I let go
On everything I wanted when you came along
But I ain't never beatin', broken not defeated
I know next to you is not where I belong
And it's a little late for explanations, there isn't anything that you can do
And my eyes hurt, hands shiver, so you will listen when I say

Chorus

No more words, no more lies, no more crying, ooh, ooh
No more pain, no more hurt, no more tryin', oh, oh, yeah, because

Chorus hush hush, hush hush, I've already spoken, our love is broken
