

TODAY I STARTED LOVING YOU AGAIN

Music & Lyrics by Merle Haggard and Bonnie Owens

2 bar intro

as sung by Martina McBride

Today I started loving you again
I'm right back where I've really always been
I got over you just long enough to let my heartache mend
Then today I started loving you again

What a fool I was to think I could get by
With only these few million tears I've cried
I should have known the worst was yet to come
And that crying time for me had just begun

Today I started loving you again
I'm right back where I've really always been
I got over you just long enough to let my heartache mend
Then today I started loving you again

- 8 bar guitar solo -

I got over you just long enough to let my heartache mend
Then today I started loving you again
today I started loving you again
