

HIGHER & HIGHER

Music & Lyrics by Gary Jackson, Carl Smith, Raynard Miner

12 bar intro

as sung by Jimmy Barnes

Your love lifted me higher
Than I've ever been lifted before
So keep it up quench my desire
And I'll be at your side forevermore

Chorus:

You know your love keeps on lifting
lifting me higher and higher
You know your love keeps on lifting
lifting me higher and higher
You know your love keeps on lifting
lifting me higher and higher
You know your love keeps on lifting
lifting me higher and higher

Now once I was downhearted
Disappointment was my closest friend
But then you came and he soon departed
And you know he never showed his face again

Chorus

- 16 bar Band Solo -

Well I'm so glad that I found you
Yes, that one-in-a-million girl
Now with my loving arms around you
I can stand up and face the world. **Chorus till end**
