

# I TOLD YOU SO

Music & Lyrics by Randy Travis

4 bar intro

as sung by Carrie Underwood

Suppose I called you up tonight and told you that I love you  
And suppose I said I wanna come back home  
And suppose I cried and said I think I've finally learned my lesson  
And I'm tired of spendin' all my time alone  
If I told you that I realized you're all I ever wanted  
And it's killin' me to be so far away  
Would you tell me that you love me too? And would we cry together?  
Or would you simply laugh at me and say

## Chorus:

I told you so, oh, I told you so  
I told you some day you'd come crawlin' back  
and askin' me to take you in, I told you so, but you had to go  
Now I've found somebody new  
and you will never break my heart in two again

If I got down on my knees and told you I was yours forever  
Would you get down on yours too and take my hand?  
Would we get that old time feelin'?  
Would we laugh and talk for hours?  
The way we did when our love first began  
Would you tell me that you've missed me too  
and that you've been so lonely?  
And you've waited for the day that I returned  
And we'd live and love forever, and that I'm your one and only  
Or would you say the tables finally turned?

## Chorus

Now I found somebody new  
and you will never break my heart in two again
