Verse 1:

He rocks in the treetop all the day long,
Hoppin' and a-boppin' and a-singin' his song
All the little birds on Jay Bird Street
Love to hear the robin go tweet tweet tweet

Chorus:

Rockin' Robin, rock, rock, rockin' Robin
Blow, rockin' Robin 'cause we're really gonna rock tonight, yeah

Every little swallow, every chickadee, every little bird in the tall oak tree
The wise old owl, the big black crow, flap-a their wings singin' "go bird go"

Chorus - 12 bar Guitar/Sax Solo -

A pretty little raven at the bird bandstand
Taught him how to do the bop and it was grand
They started goin' steady and bless my soul
He out-bopped the buzzard and the oriole

repeat **Verse 1**
