

I'M COMING OUT

Music & Lyrics by Niles Rodgers and Bernard Edwards

0 bar intro

as sung by Diana Ross

I'm ... coming ... out

I'm coming - ad lib vocal over horns and drums -

I'm coming out, I want the world to know, got to let it show

I'm coming out, I want the world to know, I got to let it show

There's a new me coming out and I just had to live

And I wanna give, I'm completely positive

I think this time around, I am gonna do it

Like you never knew it, oh, I'll make it through

The time has come for me to break out of this shell

I have to shout that I am coming out

Chorus:

I'm coming out, I want the world to know

I got to let it show (I'm coming) I'm coming out

I want the world to know, I got to let it show

Chorus

I've got to show the world all that I wanna be

And all my abilities, there's so much more to me

Somehow I'll have to make them just understand

I got it well in hand and oh how I have planned

I'm spreadin' love, there is no need to fear

And I just feel so good, every time I hear

Chorus
