

ALWAYS

Music & Lyrics by Jon Bon Jovi

5 bar intro

as sung by Bon Jovi

This Romeo is bleeding but you can't see his blood
It's nothing but some feelings that this old dog kicked up
It's been raining since you left me now I'm drowning in the flood
You see I've always been a fighter but without you I give up
I can't sing a love song like the way it's meant to be
Well, I guess I'm not that good anymore, but baby, that's just me

Chorus:

And I will love you, baby, always and I'll be there forever and a day, always
I'll be there till the stars don't shine, till the heavens burst and the words don't
rhyme, and I know when I die, you'll be on my mind, and I'll love you, always

Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye
What I'd give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers try to understand I've made mistakes, I'm just a man
When he holds you close, when he pulls you near
When he says the words you've been needing to hear
I'll wish I was him 'cause those words are mine
To say to you 'till the end of time

Yeah, I will love you, baby, always, and I'll be there forever and a day, always
If you told me to cry for you, I could, if you told me to die for you, I would
Take a look at my face there's no price I won't pay, to say these words to you

- 8 bar Guitar Solo -

Well, there ain't no luck in these loaded dice
But baby if you give me just one more try
We can pack up our old dreams and our old lives
We'll find a place where the sun still shines

Chorus
