

# THERE'S A KIND OF HUSH

Music & Lyrics by Les Reed and Geoff Stephens

4 bar intro

as sung by The Carpenters

There's a kind of hush  
All over the world tonight  
All over the world you can hear  
the sound of lovers in love

You know what I mean, just the two of us  
And nobody else in sight  
There's nobody else and I'm feeling good  
Just holding you tight

## **Bridge:**

So listen very carefully  
Get closer now and you will see  
What I mean, it isn't a dream  
The only sound that you will hear  
Is when I whisper in your ear  
I love you, forever and ever

There's a kind of hush  
All over the world tonight  
All over the world  
People just like us are falling in love

## **repeat Bridge**

There's a kind of hush all over the world tonight  
All over the world you can hear the sound of lovers in love
