

MY ISLAND HOME

Music & Lyrics by Neil Murray

6 bar intro

as sung by Christine Anu

Six years I've been in the city
And every night I dream of the sea
They say home is where you find it
Will this place ever satisfy me?
For I come from the salt water people
We always lived by the sea
Now I'm down here living in the city
With my man and a family

Chorus:

My island home, my island home
My island home is waiting for me

In the evening the dry wind blows
From the hills and across the plains
I close my eyes and I'm standing
In a boat on the sea again
And I'm holding that long turtle spear
And I feel I'm close now to where it must be
My island home is waiting for me

- 8 bar band break -

For I come from the salt water people
We always lived by the sea
Now I'm down here living in the city
With my man and a family

repeat Chorus till end
