

YOU AIN'T WOMAN ENOUGH

Music & Lyrics by Loretta Lynn

4 bar intro

as sung by Martina McBride

You've come to tell me somethin'
You say I ought to know
That he don't love me any more
And I'll have to let him go
You say you're gonna take him
Oh, but I don't think you can
'Cause you ain't woman enough to take my man

Chorus:

Women like you, they're a dime a dozen
You can buy 'em anywhere
For you to get to him, I'd have to move over
And I'm gonna stand right here
It'll be over my dead body
So get out while you can
'Cause you ain't woman enough to take my man

- 8 bar guitar solo -

Sometimes a man's caught lookin'
At things that he don't need
He took a second look at you
But he's in love with me
Well, I don't know where that leaves you
Oh, but I know where I stand
And you ain't woman enough to take my man
