

NOT RESPONSIBLE

Music & Lyrics by Ben Raleigh and Mark Barkan

4 bar intro

as sung by Helen Shapiro

Please don't look at me with hungry lips (No no no)
Please don't thrill me with your fingertips (No no no)
Please don't say the sweet thing that you say
Because I get carried away

Chorus:

And then I'm just, not, not responsible
Not, not, not responsible
I can't answer for the things I do
I said I'm not, not, not responsible
Not, not, not responsible
'Cause I'm so in love with you

Please don't look at me with loving eyes (No no no)
Don't take me so close to paradise (No no no)
Please don't tempt me with your special charms
For I'll just fall into your arms

Chorus

- 8 bars band -

I want this to be love that lasts, yeah yeah yeah
That's why I can't give my heart too fast, no, no, no
Darling please don't hold me close like this
'Cause then I know we're going to kiss

Chorus

I said I'm not, not, not responsible
Not, not, not responsible
Not, not, not responsible
